FOREWORD

While developing the intellectual capacities of her students, Olivet has striven to instill within each student's heart the spirit and teachings of Christ. Fifty golden years have passed in the vast halls of memory. Now in the morning of the second fifty years, we take a view of the future. It is the beginning of a new day, a new day in the history of Olivet. Consequently it is our desire in the 1958 Aurora to guide you along a new path—the pathway into this new day.

DEDICATION

For his spirit of loyalty and service to Olivet, for his spirit of understanding and patience toward his students, and in honor of his twenty years as faculty advisor, we of the *Aurora* Staff proudly and sincerely dedicate this 1958 *Aurora* to Professor Dwight J. Strickler.

Dark-rooms, midnight oil, and hectic schedules are nothing new

to "Prof." His days are crammed with class lectures, photo emergencies, and staff meetings. Not only has he won a spot in our hearts for his patience and continued guidance, but also for the warmth of his Christian character.

May your future years be filled with rainbows of happiness which you so long have merited for your service to others.

Professor Strickler, your 1958 Aurora!

The President's Message

It is significant that having completed our year-long Golden Anniversary celebration in 1957 we now begin in 1958 the observance of the Golden Anniversary year of our Church, the Church of the Nazarene. This seems to say that a Christian education program is the foundation and buttress of the work of the Church. The facts are that they are mutually dependent upon each other.

We have received much at Olivet Nazarene College—a rich history, a great heritage, a wonderful body of youth, dedicated teachers, and a sacrificial constituency. Of those who have received much, much will be required. It is required of stewards that they be found faithful. Faithfulness in our stewardship of the present and the future is the object of our prayers and efforts.

As we enter the first phase of the second fifty years of service, the door of opportunity opens ever wider for Olivet. The bold new ten-year development program which envisions a student body of fifteen hundred young people and five new buildings is within the range of possibility. The need is before us. Faith, courage, work, and prayer will make it a reality, and "Education with a Christian Purpose" will continue to give meaning and purpose to an ever enlarging stream of trained, consecrated, and spirit-filled youth who will be graduated from our Olivet.

Dr. Walter B. Larsen

A life of great significance to Olivet has passed on to the City of God and we are left with only fond memories of what he was to us. The influence of his life cannot be weighed, nor the greatness of our loss measured. The Orpheus Choir is a tribute to his leadership and to his love for music; the Music Department at Olivet is a tribute to his devotion to the school; and the presentation of the Messiah at Olivet will always be a tribute to the man who made it an annual occasion for the inspiration of all who were privileged to hear

this beautiful oratorio under his direction.

From him we learned a deeper appreciation for the beautiful hymns of the church and an admiration for those who were endowed with talents to express the songs of the heart through musical instruments.

It is with sincere hearts and deep gratitude that we express our appreciation for the life and influence of Dr. Walter B. Larsen, former head of the Fine Arts Division of Olivet Nazarene College and Director of Music at College Church of the Nazarene.

Since by man came death, by man came also the resurrection of the dead; for as in Adam all die, so in Christ shall all be made alive.

*Classes at Olivet are no different from those at any other college.
Here a class listens "attentively" to the prof.*

Classes, classes, classes, and more classes! This is the story of formal education; this is the story of Olivet life.

Within these classrooms through the teaching of appreciations, processes of reasoning, and practical applications, hundreds of students have been transformed from confused "green" freshmen to maturing, stable seniors. Within these classrooms prevails an atmosphere of spiritual reverence honoring our Almighty Creator.

But here, too, can be found snoring, conversing, unattentive pupils. Here can be found boredom, laziness, procrastination, and wastefulness characteristic of those who refuse to apply themselves.

Various conditions prevail, for humanity dwells here; and humanity is composed of negatives as well as positives. Classrooms exist only as opportunities for learning. Teachers and classrooms can only fan the spark for acquiring knowledge; but learning must originate within the student himself.

Working together in chemistry lab gives students an opportunity to share their ideas.

These music majors learn the "strings" from Miss Flaugh.

Home Economics majors apply their skill in baking a cake. Anyone for a sample?

These students in biology lab work diligently spotting and drawing an amoeba.

EDITOR

Olivet College is proud to present her most outstanding students. May they leave this college society with a zeal to give to a waiting world the warmth of their Christian lives and the inspiration of their leadership, which they have so fully contributed to their Alma Mater.

JAMES BEDSWORTH

Jim, our student body president, possesses the unusual ability of instilling within each student and committee a strong desire of co-operation. His job has been to guide and unite; this he has done with a Christ-like spirit. Jim has served as Junior class president, treasurer of Student Prayer Band, and social chairman of the Psychology Club. His major has been business administration. With such a leader as he, we have felt the springs of consideration, co-operation, and communication bubbling a little more strongly about our campus. We are proud to present our president of the Associated Students to Who's Who.

*"In God I put my trust,
I neither doubt nor fear,
For man can never harm
With God my Helper near."*

CHARLES BEATTY

This very able treasurer of the Associated Students is intensely interested in banking as a career; therefore, he has chosen a major in business administration. He has handled our student funds throughout another year of hectic tear and scramble. Besides filling the above mentioned position, Chuck has also served as vice president of the Commerce club, and as a member of the Chapel Attendance and Traffic Funds Committees. To work with Chuck is to know him; to know him is to like him; to like him is to wish for him the best that life has to offer—happiness. We wish this for him.

*"So admirably has God interwoven His glory and our happiness,
That while our happiness constitutes His glory,
His glory constitutes our happiness."*

FRANK BOWERS

Frank has certainly earned the distinction of a "who's who," for not only has he been awarded high scholastic rating, but he has also maintained a high idealism and a congenial, friendly attitude throughout his college career. Frank has held several offices. He was president of his Freshman class, M.D.A., Honor Society, and Science Club; vice president of his Sophomore class; and treasurer of his Senior class. As a chemistry major he earned an assistantship in chemistry in both his junior and senior years. In his junior year he was awarded a \$500 Greene Scholarship for academic scholarship. Because of his past record we are proud to present another of our leaders to you. Our wish is that he may continue to progress.

*"Teach me, my God and King,
In all things Thee to see,
And what I do in anything,
To do it as for Thee."*

MARILYN BOWERS

Marilyn, our 1957 Tip-Off queen, will long be remembered for her charming, sparkling manner and her queenly beauty. As a music education major she has participated regularly in the college musical activities. She has also served as W.R.A. president and as Organ Guild treasurer. May the coming years continue to enhance the qualities of beauty and character which have made her so outstanding in her college career.

*"I know not where His islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care."*

BILL ISAACS

Bill loves history—and plans to teach others to love it too! Possessed of a quiet nature, he has the quality of sincerity which will win him many friends. He has been secretary-treasurer of the Public Affairs Club, vice president of the English Guild, and a loyal Honor Society member. We wish the very best for Bill, as he has certainly taught us that a handicap may be turned into achievement.

*"When all Thy mercies, oh my God,
My rising soul surveys:
Transported with the view, I'm lost
In wonder, love and praise."*

DELORIS BRYAN

Deloris is a dual major. Philosophy and Spanish assignments have kept her literally "flying" about the campus. Besides holding the offices of secretary and president in the Platonian Philosophical Society, she has been a top-ranking member of the Honor Society. We predict much success for this girl. She not only has the intelligence, but also the "stick-to-it" ability to succeed!

*"God writes with a pen that never blots,
Speaks with a tongue that never slips,
And acts with a hand that never fails."*

GEORGE GARVIN

Business administration is George's major interest. Decidedly sports-minded he has participated in basketball and baseball, and has been president of the Indian Society. He represented his class in the Student Council for two years, was Junior Class treasurer, and member of the Personnel Committee. For him we wish "luck" in future stock-market exchanges, and many years of enjoyment in physical and spiritual activities.

*"Lord, let not my religion be
A thing of selfish ecstasy;
But something warm with tender care
And fellowship which I can share."*

ROBERT FRUM

Bob is our active theology leader. His interests have revolved about the philosophical and theological centers of Olivet life. He has served as a member of the *Glimmerglass* Staff, Personnel Committee, Ministerial Fellowship, Platonian Philosophical Society and the Honor Society. Considering his deep desire to tell others of Christ, we wish for him an eager, willing congregation—a group of laymen as anxious as their leader to interpret the Plan of Salvation to needy souls.

*"O teach me, Lord, that I may teach
The precious things Thou dost impart;
And wing my words, that they may reach
The hidden depths of many a heart."*

DON DUFF

We shall always remember leader Don as organizer of the 1956 mock political campaign and rally. He has done much to promote civic, state, and national interests at Olivet. Don, a business administration major, has been president of the Commerce Club, business manager of the *Glimmerglass*, and a member of the Lyceum, Food Planning, and Golden Anniversary Committees. He is a young man with an eye on the future—may his vision be clear and upward as he steps out to greet a busy world.

*"The King of love my Shepherd is,
Whose goodness faileth never;
I nothing lack if I am His,
And He is mine forever."*

DOROTHY ESTELLE

Dot has been an outstanding student leader in education. A young woman of diversified talents and interests, she has served her school as president of the S.E.A., treasurer of the English Guild, secretary and treasurer of the Science Club, and editor of the 1957 *Aurora*. Although many prospective fields seem open to her, she has chosen to enter that of elementary education. May her efficient manner and understanding personality bear her "progressively" onward to her goal of teaching others "to live."

*"In all the little things of life
Thyself, Lord, may I see;
In little and in great alike
Reveal Thy love to me."*

RICHARD REISS

Dick, our Senior Class president is a music education major. His job has been to convert grim, graduation-bound gourches into gracious, grateful grown-ups, and he has performed his task well. Dick has also served as vice president of the orchestra and as business manager of Orpheus Choir. To him the Senior Class extends a sincere "thanks"—for tolerating all their grumps.

*"Be this the purpose of my soul,
My solemn, my determined choice,
To yield to Thy supreme control,
And in Thy kind commands rejoice."*

ROBERT NORTH

Bob has been the very efficient business manager of the *Glimmerglass* and as a student leader, well represents the Business Administration Department in which he is a major. His interests include many campus activities; he has served as a member of the orchestra and Apollo Choir, as a member of the Student Tribunal, Honor Society, and Commerce Club. We shall remember his friendly smile and his considerate attitude toward those about him. May his spirit continue to "glow" for Christ.

*"I bow me to Thy will, O God,
And all Thy ways adore,
And every day I live I'd seek
To please Thee more and more."*

ZAN HAWKINS

One of our most energetic seniors, Zan impersonates the phrase "let all my life be music." As a music education major she has endeavored through recitals, concerts, and trio work to share with us her genial spirit and her appreciation of harmony. She has been a leader in the social life at Olivet; she has served as social representative in the Student Council in her junior and senior years, and was elected to the position of social chairman for her senior year. She has also held the positions of treasurer of the Apollo Choir and secretary of the Music Educators' Club. With her social graces and her flair for humor we believe Zan to be well on the way to success . . . we introduce her to you.

"A genuine living faith sings divine songs in the night."

BURLEY SMITH

Coach of the Spartans, secretary-treasurer of the "O" Club, member of the Honor Society—these head the list of Burley's accomplishments. As an English major he hopes to raise the scholastic level of his athletic-minded students when he begins to teach. May his teaching combine an effective interpretation of language skills with the patient guidance of a master. May his teaching combine an ability for creating literary appreciation with the probing, stabbing, questioning of the thinker.

*"My trust is in my Savior.
I share His grace divine;
Believing in His promise,
I know that He is mine."*

These Have Followed The Right Path

Many thoughts occupy the minds of those who, having spent four years at Olivet, find themselves stepping up for their diplomas. Reflection upon new evaluations and broadened ideas reveal adjustments and advancements which startle them. The seemingly slow accumulation of four years' experiences has developed deeper and broader insights into life and its possibilities.

As they recall their "green entrance" and their progress from year to year, they realize

that they have outgrown the narrow confines that bound them. New spiritual and intellectual freedoms have liberated them into a wider freer world and they sense within themselves a steadier, surer dedication to the professions they have chosen.

These four years have been golden ones in their lives—years which they will never forget and golden because they have followed the right path: "Education with a Christian purpose."

Senior Class

The FUTURE is so close that it's almost incredible!

Entering our senior year we found ourselves entangled in a new web of activities. There was the same routine of classes, but, added to it, were senior comprehensives, practice teaching, filling our job applications, sending commencement announcements, making plans for our senior trip, finishing our last semester's work, and taking final exams early.

As we prepare to leave our Alma Mater, we have a sense of joy and achievement, for we realize that the time spent here has brought about spiritual, intellectual, and social changes for each of us. Yet there is a bit of sadness in our hearts too. For we realize that the years we've spent at Olivet can never be relived.

We determine, as we take our places among Olivet's alumni, that we shall serve Christ, the Church, and our fellow men.

Junior Class

This year we entered the path to the more realistic, rational, upperclassman world, a path to specialization. We began to seek for knowledge in our major field. We strove to develop self-confidence and poise which we must possess to face a demanding world.

We had looked forward to our junior retreat ever since our freshman year. Imagine cutting classes for a day of fun with faculty approval! After serving us a hearty breakfast, the seniors bade us farewell, and we started towards Turkey Run State Park. Here we spent the day hiking, playing tennis, horseback riding, and enjoying the scenic beauty of the park. After a feast in the banquet room that evening, we rounded out the day with a hayride . . . the end of a perfect day, and the beginning of a busy and important year.

As the year draws to a close, we realize that we will soon be seniors and completing our college careers. With eagerness we await the day when we shall take our places as the campus leaders.

Sophomore Class

We returned to O.N.C. this year with new enthusiasm to prepare ourselves to travel life's pathway. We had successfully completed the first part of our college career, and were no longer hesitant about college life.

It was our turn to initiate the freshmen, and to put them in their place as we had been put in our place last year. After our planned sneak initiation attack, we hoisted the flag of friendship, and hospitality prevailed at the party with which we concluded the day's activities.

We thought we were taking our freshman orientation tests over until someone told us that these second tests were called "Sophomore Achievement Tests". They were a series of tests in the fields of general culture, contemporary affairs, English, and general achievement. The results of these tests were used to guide us in our final choice of a major and in planning our upper division program.

At last, we have completed half of our college career, and we look forward to next year when we will be upperclassmen. Our first two years have been exciting and full of fun, but we anticipate an even greater future at O.N.C.

Freshman Class

So this is college—a new day for us! We arrived on campus with mixed emotions. We tried to deny the little pang of homesickness, and entered whole-heartedly into college life.

After the hectic week of orientation and registration, our friends, the sophomores, presented us green beanies to wear until initiation. Then our fatal day came, and we found out who our real friends were—why, the sophomores, of course! Who else would awaken us at 4:00 a.m. with horns, drums, sirens, and banging of pans and doors? Under their direction we took our morning exercise on the football field while singing our favorite song, "I'm a Silly Little Freshman". It was cold, wet, and windy, but the sophomores had no sympathy. We cleaned the campus and then the seemingly heartless sophomores relented and gave us a party. Finally we were full-fledged members of Olivet's family.

After initiation we settled down to participate in the activities of the college year. We laboured through Old and New Testament, Social Science, and English, while we smothered the desire to drop those hardest courses. At last it has all paid off, and soon we will be sophomores.

This was our "green" year. We look back and smile at the happy and unhappy memories, and dream of three more successful years of college life.

There are two special courses offered for ministers in the Division of Religion and Philosophy. The Theological Certificate course is for those who qualify for college entrance but who wish to finish their course of study in three years. This course, consisting of ninety-six hours, places its main emphasis on subjects in Bible and theology, but includes courses in English, psychology, speech, philosophy, music, and history.

The Ministerial Studies Program is the other course offered for ministerial candidates. This is an adult education program designed for those who do not meet college entrance requirements. This course is constructed to meet the requirements for a district preacher's license.

The two groups organize together for their social activities. The main activity of the year is the annual spring banquet.

Officers for the year were Robert Scott, president; Walter Williams, vice-president; and John Abshear, secretary-treasurer. Professor R. L. Lunsford was faculty sponsor.

STUDENT

President Jim Bedsworth diligently dictates to Carolyn Birchard, secretary, as Charles Beatty, treasurer, signs requisitions.

The Golden Anniversary activities and the increased pace of student functions have made the 1957-58 Student Council Olivet's busiest student organization. The members served as guides for tours of the campus during the open house held for Kankakeeland, and have played hosts to all guests for the Lyceum programs. Planning an all-school activity for each weekend is no easy task, but President Jim Bedsworth has kept the weekends full of entertainment for all. Under his leadership, and with the help of the other council members, Olivet students have enjoyed an activity-packed year.

The officers this year were Jim Bedsworth, president; Charles Beatty, treasurer; Carolyn Birchard, secretary and Dr. Cotner, sponsor.

Faculty adviser Dr. Cotner, takes time out to have fun with Student Council members Jim and Joyce.

THE AURORA STAFF

Mrs. Demaray

The AURORA office is a busy place for those working on the staff. Here, with the clatter of typewriters, headaches, worries, and general confusion the AURORA has been produced.

It has been a pleasure and a privilege to work with the nineteen fifty-eight staff, Mrs. Demaray, and Prof. Strickler. Their whole-hearted cooperation has been an inspiration to the editor. I wish to express to them my appreciation for devoting their time to a time-consuming job.

The Student Tribunal is a subsidiary organization of the Student Council and has the responsibility of interpreting the Student Handbook and any disputes concerning the Constitution of the Student Body. Under the direction of Chairman Keith Owens and Adviser Dr. Willis Snowbarger, the Tribunal carried out the function of the judiciary branch of Student Government.

The Student Social Committee consists of two elected representatives from each class. Planning the major all-school parties designated for the Student Council sponsorship is the responsibility of this committee.

"Frost Frolics" was the theme of the Christmas party, for which the Methodist parish auditorium was attractively decorated, creating an atmosphere of snow fantasy.

On February 14, the Recital Hall was colorfully decorated with hearts and arrows to create atmosphere for the theme, "Cupid's Capers." Hilarious skits and musical numbers kept everyone in the Valentine mood.

The social life of the college was highlighted by these two major parties.

This year, besides taking the responsibility for the discipline in the men's dormitory, the M.D.A. remodeled a room to be used as the Chapman Hall Prayer Room. The officers initiated something new for their part in the Tip-Off celebration by electing two coeds from the freshman and sophomore classes to ride as the M. D. A. Sweethearts on their Tip-Off float.

The M. D. A. officers for this year were John Hursh, President; Jim Brian, Vice President; Keith Owens, Secretary; Phil Petrie, Treasurer; and Mr. McKay, Sponsor.

The keynote event of the year for the Women's Residence Association was a rollicking Big-Little Sister Scavenger and Treasure Hunt. The Hunt was topped off with hot chili. During the Christmas season, the W. R. A. Council planned and executed a Tree Trimming Party and a Dormitory Pajama Frolic.

Sunday evenings in Williams Hall Parlor took on a quaint and homey atmosphere with hymn singing and hot chocolate around an open fire.

During Twirp Week, the W. R. A. sponsored an early morning brunch and an all-school twirp hayride.

The officers this year were Marilyn Bryant, president; Marilyn Trimble, secretary; and Ruth Wilhoft, treasurer.

One of the most active and unusual clubs on campus is the Platonian Philosophical Society. The goal of the club is to understand modern culture in the light of philosophy.

The activities of the club this year were varied. A series of meetings on Plato's thought as related to Christian thought were held. Aesthetics dominated the club's thoughts, and lectures on Gothic architecture and scholasticism, and music (from Beethoven to jazz) were given. A tour of the Kankakee churches was also made, and on May 3rd a buffet supper concluded the club's activities for the year. The speaker for the evening was the Rev. Harold Zietlow, who spoke on Whiteheadian philosophy.

Officers for the year were Deloris Bryan, president; Lyle Schoenwetter, vice president; Jerry Rogers, secretary; and Miles Simmons, treasurer.

Olivet Marching Band

Olivet Symphony Orchestra

The orchestra was very active this year. It held its annual concert February 28, climaxed by a pizza party and educational films in the Mural Room. On May 10 it held its annual banquet at the Kungsholm Scandinavian Restaurant in Chicago where the members were thrilled to see a miniature opera played by puppets. The year came to a close on May 28, with

the Annual Commencement Concert given in cooperation with the seniors of the Music Department, a grand way to climax a successful year under the direction of Professor Harlow Hopkins.

The officers this year were Merwyn Matson, president; Dick Reiss, vice-president; and Jeanette Ledyard, secretary-treasurer.

Missionary Band

An all-school Missionary Conference Rally Day was the highlight of the year's activities for the Missionary Band. Louise Chapman and Rev. Chung were the special speakers.

The project of the Missionary Band for this year was to raise money to build a chapel in Saum, Korea. The project, special speakers, and slides of foreign

countries have helped to make the students at O. N. C. very missionary conscious.

The officers this year were Joe Bennington, president; Fred Lee, vice-president; Elizabeth Janco, secretary; Martin Arni, treasurer; and Faith Hemmeter, librarian.

Ministerial Fellowship

The Ministerial Fellowship is an organization of persons interested in some type of special Christian service. Its special features are early Saturday morning breakfasts with special guests as speakers.

Among their guests this year were Dr. H. W. Reed, Dr. H. C. Benner, and Dr. Mendell Taylor.

A week of student chapel speakers was a new attraction for the organization this year. The "Evangelists," a visitation group, was organized.

O Club

The "O" Club is one of the more select groups on campus, as it has certain qualifications which must be met for membership. First, you must be elected a member of an All-Star team which automatically makes you eligible for membership. Second, you must "pass" all tests given on initiation day including eating various and sundry things and receiving ten whacks with a paddle (you have to pay for it) from each old mem-

ber of the Club. After these ordeals, you are a full-fledged member and are privileged to take part in the Tip-Off games and the "O" Club Banquet, where the season's All-Star awards are given, an annual affair for the Club.

The officers this year were David Knotts, president; Nancy Hendricks, girl's president; Burley Smith, secretary-treasurer; Dick Converse, vice president.

M. Rife, A. Whitman, M. Morrisson, L. Sinnard, Dr. Leist.

Giants' Club

This relatively new club on campus is a very select group. In order to be a member, you need to be able to stay under the five foot mark in height. The club was organized by a "Giant" member of the faculty, Dr. J. F. Leist, and the president for this year is Agnes Whitman. The main feature of this year's activities was a delicious chicken dinner given for the club members by Dr. and Mrs. Leist.

A NEW DAY

in Student Life

The registration lines offered only tests of endurance and patience.

The Freshmen Struggled Through Orientation

Orientation week is designed to test incoming freshmen's abilities and to introduce them to campus life, the faculty, and one another. Series of tests in English, Fine Arts, Science, Social Science, and Fields of Preference are administered throughout the first few days. Social

gatherings for meeting both the faculty and the president also prevail. Towards the end of the week get-acquainted parties sprout everywhere, and the freshmen prepare to enter the first lap of a long collegiate race.

The ten offered not only refreshments, but also an opportunity to become acquainted.

Judy Brioulette, Linda Pierce, and Mary Ann Linquist visit with Dr. and Mrs. Reed in the President's Office.

Societies Rush Freshies For Membership

First-prize Trojans blast forth their superiority.

Indians chant their battle-cry.

Spartans solicit society support.

*Trojans

To build school spirit and to encourage team support, the sport societies of Olivet sponsored a Society Rush Day. The registration booths, located in the Universe, used as symbols society emblems, mottos, and mascots. Performers advertised society preference with skits and stunts. Chaos reigned supreme. But piercing the din from time to time, shouts for Spartans, Trojans, and Indians rang high and clear. For the neatest, most appropriate display, the Trojans captured the blue ribbon.

What do you mean these sophomores are dead-beats?

Perhaps suffering from guilty consciences for having given the freshmen such a humiliating initiation, the sophomores re-channeled their talents . . . the result, the Freshman Party. As

Governor Stratton's Visit to Olivet

The magnificent performance by the National Color Guard added significance to the Anniversary Celebration.

Governor Stratton and Dr. Reed take time to visit in the President's office.

Assistant to the President Harlan Milby, is to be commended for his splendid job in helping to make the evening successful. Here he joins Dr. Reed in showing Governor Stratton through the Memorial Library.

Using the library as a backdrop, the platform for the Golden Anniversary Celebration was constructed upon Olivet's southern lawn. The program, under the direction of J. Harlan Milby, included brief comments by several city officials and Milburn P. Akers, executive editor of the *Sun-Times*, who appeared as chairman of the National Committee of Church Men for Church Colleges. Featured as main speaker was Governor William Stratton. The combined college choirs welcomed the governor and created a harmonious atmosphere for the entire program.

Akers termed church related colleges as "one of the greatest factors in American culture as we know it," and urged the financial support of Olivet and other denominational colleges. The governor paid tribute to Olivet by saying, "Despite the seemingly insurmountable obstacles Olivet has overcome during the past fifty years, or possibly because of them, the college is facing the future with a confidence and energy that is amazing. This, in itself, is a refreshing attitude in a period when educators are looking at federal aid as a panacea for their problems."

Olivetians, city officials, and other guests welcome the governor to the speaker's stand.

Governor and Mrs. Stratton are greeted by Mr. Milby and Mr. Lunsford in the Public Relations Office.

The Apollo and Orpheus Choirs climax their part in the program with "The Battle Hymn of the Republic."

Dr. Ludwig meets Governor Stratton while Mrs. Stratton stands by.

Thus, although chilled by the unusual coolness of the atmosphere, Olivetians and friends turned homeward with a glow in their hearts . . . a glow of pride for the accomplishments of this, their school.

Joyce Mangum, Joy Wilde, Queen Marilyn Bowers, June Woods, and Jeanette Hanson made an attractive picture during the Homecoming celebration.

Our Tip-Off Queen, Mrs. Marilyn Bowers poses with her husband, Frank. Not only her beauty, but also the sweetness of her personality made her a beautiful queen.

Tip-Off Men and Women's Games

Led by the Trojans' Jerry Petrie, Olivet's "O" Club turned in an easy victory at the expense of the Alumni squad. Basketball season was officially opened at Kankakee High School gymnasium as last season's all-stars, dressed in white, defeated the Alumni representation, composed mostly of last year's graduates, 74-63. The game proved to be all that Tip-Off stands for. The Rusty Keg now remains in Birchard Gymnasium until another year when the Alumni will again return to make their bid.

Marilyn Trimble scores two points for the "O" Club.

The Tip-Off games this season proved to be one of the best in years. A determined "O" Club five with a determined offense and strength in reserves turned in a 43-40 win. The Trojans' Marilyn Trimble led the

college girls with twenty-one points. Lois Smith kept the Alumni just a pace behind with fifteen. This game helped to make the annual Tip-Off a thrilling event.

Olivet's band marched outstandingly in the Tip-Off Parade.

Rated the most beautifully occupied was the queen's float pictured above.

The Ministerial Fellowship float received first-prize rating for carrying out the Golden Anniversary theme.

Marilyn and Judy "pretty up" the M. D. A. Float.

The Olivetian half-time Tip-Off story included three of the most important events in Olivet history: the birth of the college, the destruction of the college by fire, and the purchase of the present day site of the college. Dressed appropriately for each scene, the Olivetians combined

song and action. Vividly and actively, with a minimum of detail and maximum of talent, the history progressed to the climax. With less trained choraleers, results could have been disastrous. However, with the Olivetians the impression was striking and to be long remembered.

Present and Past Orpheus Members

The second annual "Tip-Off" concert was a time of reminiscing for many students and alumni. Several musical teams of former years returned to perform at College Church: quartets, trios, duets, solos, and choral arrangements built the program. The program was one of variety:

classical, sacred, and secular numbers were appropriate. As a finale, all former Orpheus members who were present in the audience were invited to join the choir in singing the two closing numbers, "A Mighty Fortress Is Our God" and the "Lutkin Choral Blessing."

"The Masque of the Red Death" . . . When the clock strikes midnight the palace guests are filled with horror.

Halloween Party "Love Is a Tragedy"

Red Death enters and the guests realize that they are plagued.

From the prelude of sonorous music to the last horror-filled steps through an underground passage, the annual Halloween party created a weird, unearthly atmosphere.

The program based upon the theme "Love Is a Tragedy" was centered around excerpts from two literary tragedies—Shakespeare's *Romeo and Juliet* and Edgar Allen Poe's *The Masque of the Red Death*. The program also included the awarding of prizes to the two best costume-dressed faculty members.

Engulfed in a sea of blackness, the audience will never forget terrifying sensations as crepe streamers brushed about them and hideous howls split the air.

Dr. Grothaus and Miss Flaugh receive recognition as the best costume-dressed faculty members.

A gala occasion for tormals and suits was the "Frost Frolics," the annual Christmas Party. Snowballs, icicles, wreaths, and sleighs decked the Methodist Parish Hall where the festivity took place. Acting as host and hostess for the evening were Jack (Larry Jimenez) and Jill (Sharon Mace) Frost.

The traditional order of Christmas programs was completely reversed. A satire skit on Santa Claus, caroling, and the presentation of gifts to the faculty and President started things off. Then refreshment lines formed with the usual informal chatter.

Following refreshments there was a technicolor film of the story "The Littlest Angel."

During the program Rudolph the Red Nose Reindeer appeared in an Al-Tone trio performance of the song, and Frosty the Snowman, alias Hank Reeves (alias Tom Thompson) hippity-hopped over hills of snow. A dramatic reading of "The Other Wise Man" was also given by Jeanette McMillan.

To climax the evening, a star performance of traditional American Christmas scenes was enacted by the Olivetians. The singers, warmly dressed, traveled through the countryside in a sleigh—throwing and washing one another's faces in the snow. A huge, iridescent pine tree, lighted by the candles of caroling performers within, brought the party to a well-planned close.

Dee and Wayne read valentines. Isn't someone romantic?

The informal Valentine party held in the Recital Hall of Burke Administration Building has captured the distinct honor of being "one of the best" of the year. Its theme, "Cupid's Capers," was interwoven in the decorations, program, and refreshments. Entertainment included skits, musical numbers, and readings, an "Art Linkletter" type of program with Wayne Speakman featured as "Art." Three sweetheart pages assisted in delivering messages and revealing engagement announcements. To gain admittance to the party, a valentine addressed to a date, best friend, or someone secretly admired, was necessary. An evening of surprises and fun was this.

Mass Choir Presents Handel's Immortal MESSIAH

The congregation stands as the choir and soloists sing the "Hallelujah Chorus."

The 22nd annual presentation of Handel's Messiah by a 200 voice mass choir was held at College Church on December 6th and 8th. The oratorio was presented in three performances. Soloists were Linda Luttrell, Beth Hatcher, Ruth Chung, sopranos; Martha Reed, Margaret Albert, contraltos; John Schreffler, Daniel Liddell, Charles Hasselbring, tenors; Donald Henrickson, Bruce Foote, basses. Professor Kenneth Bade, organist, and a

chamber orchestra accompanied the choir. The choir personnel included Orpheus, Apollo and Chancel Choirs, and choirs from Kankakee community churches, and was directed by Mrs. Naomi Larsen, acting chairman of the Fine Arts Division. The performances were inspiring—true tributes to the originator, the late Dr. Walter B. Larsen, who organized the Messiah presentations 20 years ago and conducted them each year.

M.C. Jim Bedsworth introduces special speaker, Rice Kello.

Last year's Junior-Senior Banquet held on April 27 at the Spinning Wheel Restaurant in Hinsdale, was the first completely formal affair in Olivet's history. With Jim Bedsworth as toastmaster, the Carolaires as songsters, and Rice Kello as guest speaker, the party rounded out a year of happiness and success for graduating seniors. As the last highlight of the banquet, a moonlight cruise on Lake Michigan was offered. Those who took advantage of this offer will not soon forget the dewy night air, the slip-slap of waves, the drone of the motor, and an awakening sense of finiteness as they marveled over the beauties of a nature created by an infinite God.

A wizard of wit and wisdom advises graduating seniors to "adjust."

"After dinner coffee-time" precedes speeches.

Upper classmen enjoyed superb cuisine, scintillating atmosphere, and stardust.

Election Campaign

The Progressive Party won a close race in the election for Associated Student Body officers. Their candidates for president and treasurer, Jim Bedsworth and Charles Beatty, won over Frank Bowers and Robert North, candidates for the Practical Party.

The election was one of record participation. Students actively engaged in both campaigning and voting. It was a shame that the posts demanded but two persons, for all four candidates seemed equally outstanding and capable.

Office Personnel: Don King, Harold Keech, Keith Owens, Neil Strait.

Men's Residence

The men's residential building, Chapman Hall, houses all campus men. Since redecoration has been completed on the lounge, the boys have developed a new pride in their surroundings. The dorm also contains a central office managed by student help and is equipped with pop, candy, and sandwich machines. The four boys who worked in the dorm office this year were Keith Owens, Neil Strait, Don King, and Harold Keech. Another feature maintained in Chapman Hall is a prayer chapel for private and group devotions.

The women's residential building, Williams Hall, houses freshman, sophomore, and junior girls. The senior girls live in separate "Senior Houses." As one of the social centers on campus, Williams Hall contains a spacious parlor used for social gatherings, parties, and entertainment of guests. The dorm contains a well-equipped laundry for the use of the students. It has also sandwich, candy, and pop machines for that midnight snack. On the fourth floor is a prayer chapel maintained for private devotional purposes and for spiritual fellowship with others.

Kneeling: Shirley Townsend, Shirley Collier.
Standing: Noni Shearrer, Cliff Everett, and Lee Bolland.

The spark of the Indian cheer leaders added much to the spirit of the games. The precision of this group was terrific; much practice contributed to their fine performances.

Left to Right: Sharon Jakobitz, LaVonda Mace, and Vangi Burtsch.

Left to Right: Jeanette Hanson, Dick Reiss, Helen Reeves, Donna Larrance, and Beth North.

The cheer leaders for the Green and White were in their places ready to give support to a fighting Spartan team. The co-operation of the five lent much to the spirit of this society.

Baseball

Top Row: Mac Delbridge, Larry Hendricker, Keith Sheffer, Paul Cunningham, Tom Craig.

Bottom Row: Jim Hogan, Everett Combs, Jim Smith, Don Braselton.

Trojan Men's Baseball Team

Coach Jim Hogan and teammates are to be commended for a splendid job on the diamond this past season. Moving up from second place last year to the undisputed championship this year, the Trojans were only defeated one time in six starts. They led the baseball race all season long and never seemed to be in serious trouble. The blue and white machine displayed all the characteristics necessary to produce a winning ball club. They were strong in the hitting department, placing five members of their team on the school's top ten hitters. The Trojan nine also had two hurlers with perfect records.

The Trojans' leading hitters and averages were Mac Delbridge, .437; Ed Roarick, .416; Jim Smith, .400; Jim Hogan, .384; and Louis Jeter with a .333 average. The two undefeated chuckers were Mac Delbridge, pitching for four wins, and Keith Sheffer winning one game. Four or five players will be lost by graduation this year; however, they have several returning letter-men that will form the nucleus for the team next year. Without a doubt, the Trojan nine were the ones to beat at Olivet this year. They displayed an excellent quality of sportsmanship throughout the entire season and proved to opponents and fans the merit of being called "Champs."

First Row: Bob Robinett, Scott Gardner, Jack Proctor, Wesley Robbins.
Second Row: Gene Davidson, Keith Powell, Merwyn Matson, Gene Shea, Elwood Kappan.

Indian Men's Baseball Team

The red and white baseball squad, after winning first place last season, had to settle for a second-place tie this year. Under the able coaching of Gene Davidson, the Indians won two games and lost four. They had a lot of hustle and spirit, but just couldn't get enough runs at the right time to win a share of the championship. The Indians also were able to show off a well balanced nine. They placed five players on the list of the ten top hitters in the school. The Indian pitchers shared identical records from the mound, both of them winning one game while losing two.

In over-all games, the redskins outscored their opponents 23 to 15. The five leading hitters for them and their averages were Scott Gardner, .600; Merwyn Matson, .538; Gene Davidson, .538; Jack Proctor, .384; and Keith Powell with a .312 average. The Indians enjoyed the honor of placing three hitters in first, second, and third places respectively among the leading "stick-swingers." They will only lose two or three members this year by graduation, so, come baseball season next year, the Indians should be ready for a more successful season.

First Row: Bill Marsh, Herb Conard, Dave Oberlander, Carmen Wenger, Burley Smith.
Second Row: Don Shearrer, Gene Woods, Wayne Hopewell, Dick Felix, Jim Roach.

Spartan Men's Baseball Team

Facing a tremendous task of rebuilding this year, coach Burley Smith guided his green and white nine to a second place tie with the Indians. They won two games and lost four. The Spartans were hurt in the pitching department. Hurler Herb Conard probably displayed the most style of any pitcher in the league, but was hindered by the lack of sufficient relief. The Spartans found difficulty in finding someone to really "slug" the ball this year. They failed to place any men

on the list of leading hitters. The team hustled well all season and displayed good spirit at all times.

The leading hitters for the Spartans were Dick Felix, Wayne Hopewell, and Gene Woods. Pitcher Herb Conard enjoyed both of his victories at the expense of the Indians. Burley Smith, the Spartan coach, will be lost at graduation time. This being their only loss, the Spartans should be a team to watch in the future.

Softball

The Championship for the 1957-58 girls' softball team went again this year to the mighty Trojans. The record for the season was 5 wins and 1 loss. They were the top scoring team with 155 runs, while their opponents scored only 72 runs. The top hitters for the Blue and White were Roberta Cosner with a .692 average and Alberta Fell with a .689 average. The consistent hitting of other members of the team at the needed moment

was the major factor for these five victories.

The enthusiasm with which these girls played was clearly recognizable to one watching them play. This team spirit is one of the necessities for a winning team.

The coach, Mac Delbridge, did a very good job.

This team should be very tough competition again next year and will be the team to watch.

Trojan Girls' Softball

Left to Right: Alberta Fell, Bobbie Hunter, Dorothy Acord, Roberta Cosner, Fay Seifert, Violet Neehouse, Wanda McDowell, Marilyn Densford, Marilyn Trimble.

This year's Indian girls' softball team placed second in the standings with a record of 4 wins and 2 losses. The total runs scored were 149 while their opponents scored only 88. The leading hitters for the Red and White were Joy Pavy with a .703 average and Marty Stitzle with a .571 average.

This team should be even more of a contender for first place next year, since most of this year's team was composed of freshmen who will

be expected to do an even better job next year.

The spirit of the team was always one of the reasons for the "coming thru" of the team as a whole. No one ever gave up until the last out was made. The general opinion is that this is one of the greatest assets for any team.

Coach Scott Gardner did a very good job in helping the girls with the fundamentals. This showed up in the games in the teamwork displayed.

Indian Girls' Softball

The Spartan girls wound up in third place in the softball division for the second consecutive year. Their record was 0 wins and 6 losses. The leading hitter for this society was Beth North with a .640 average.

The spirit of the team was always tops. The desire to win was evidenced by the way they played their best, even when several runs

behind. Since this year's Green and White team was composed mostly of freshmen who are expected to return next year, it should be interesting to watch next year's games.

The coach for the team this year was Jim Brian. He contributed much to the improvement in the quality of ball played as the season progressed.

Spartan Football

Led by coach Dave Knotts, the big green-clad Spartans ripped through game after game to win the 1957-1958 football title. In season play the squad lost only one game and exhibited a sportsmanship worthy of Olivet. Though the guys had a few close calls, they never appeared to be in real danger of falling behind. They jumped to an early lead of top position in the standings by defeating the Indians and the Trojans respectively. Only at the end of the season did they loosen up enough

to let the Indian club through to win by one point.

The Spartan football team was featured in a pre-Tip-Off eleven man game against the Indians which they dropped by two touchdowns. Darel Grothaus piloted the champions from behind a strong line. His backfield was made up of Paul Dishong and two freshman half backs, Bob Deckard and Tom Thompson. All in all the season was every bit a success.

Indian Football

A determined red and white clad squad of fighting Indians this season proved almost too much for the champion Spartans. With a record that showed only two losses, the men in the crimson repeatedly came within five yards of the championship. When they lost, they were excellent losers. When they won, they were true champions. A new classic was added to this year's Tip-Off parade of sports events. It featured the Indians in an eleven man football game against the league winners.

The big Red showed their true ability by winning 18-7.

Throughout the season, Gus Sublette led the squad to first down after first down. Ron Nees plunged over into the opponents' territory time after time, and Spence Hendrick made a fine end by grabbing almost eighty percent of the aerials thrown his way. The entire team exhibited a quality worthy of comment. The team was coached by Darrell Trotter.

Top Row: Dick Converse, Gail Guier, Chuck Wilson, Dale Owen.
Bottom Row: Bill Baker, Dick Hieb, Fred Weghorst, Larry Cox, Norm Christenson, Joe Tuvelle.

Trojan Football

Although the win and loss column didn't look too impressive, the Trojan football club fielded a strong team only to lose game after game by close margins. A minimum of reserves and lack of experience seemed to be their main weak points. This was counteracted by the fine sportsmanship and team spirit which indicated a never-say-die attitude throughout the season.

A fine line was anchored by Larry Cox who inciden-

tally received more "O" club votes at the season's end than any other society team player. Chuck Wilson sparked a tight defense with repeated tackles that seemed impossible.

The men in blue proved themselves to be a scrappy bunch. They were vigorous, eager, and sturdy men on the field. Their attitude when they lost was that of fine sportsmen.

Trojan Men's Basketball “A” Team

After having to share the basketball championship with the Spartans last year, the Trojans decided early in the season they were playing for an undisputed championship this year. The men in blue lost only two games in ten starts. The Indians seemed to give them the most trouble, causing the Trojans their only setbacks, and costing them the chances of having an undefeated season. They were rough, both on defense and offense, placing four players on the list of the ten leading scorers. The return of Jerry Petrie to the Trojan camp aided the “champs” in their campaign for the championship. Petrie and Larry Hendricker led the blue team in rebounds and also hit for respectable averages.

The leading Trojan scorers were Tom Craig, Jerry Petrie, Larry Hendricker, and Jim Hogan. The services of Jim Smith were sacrificed to graduation in January. Jim led the Trojans in scoring during his four year stay at Olivet. Three of the Trojans’ starting five were selected for this year’s basketball all-star team. Congratulations to Jerry Petrie, Larry Hendricker and Tom Craig! Louis Jeter was the other starter for the Trojan five, rounding out a well balanced team with a lot of hustle and desire to win. The highlight of the season was the five Trojan victories over the Spartans, last year’s co-champs. Coach Tom Craig is to be praised for a job well done!

Trojan Men's "B" Basketball Team

With a team composed of fighting blue-elad basketball players, the Trojan "B" ball men played their way to a near tie for seeond plaee in the 57-58 season. The team made a strong reserve for the varsity squad which won the intramural championship.

With a record of two wins and four defeats, the ball players exhibited a fine spirit and conducted themselves well while on the playing floor. Every game was played with a determination eharaeteristic of fine sports.

The squad started out strongly by defeating the

Indians and Spartans respettively, to jump into first plaee. However they seemed to run out of steam when the main body of the team was ealled to participate in the "A" games near the season's end. The last two games were lost by very slim margins and appeared almost as wins. The team produced their share of high scorers as threc of the top ten were Trojans. It seemed to be the laek of proper eombinations that kept them from going all the way. Keith Sheffer, the Trojan coaeh, is to be complimented for his fine job.

Spartan Team—*Left to right kneeling:* Bob Stiles, Jerry Snowden, Wayne Hopewell, Gene Woods, Dave Fowler. *Left to right standing:* Paul Dishong, Bill Marsh, Burley Smith and Dave Knotts.

Spartan Men "A" Basketball

The team dressed in green and white battled their way to second place in the intramural "A" league this season. Led by playing coach Burley Smith, the Spartans twice came within points of defeating the league-leading Trojans for a first place tie. However the chore seemed just out of reach of their hands.

Led by the driving lay-ups of Paul Dishong and the rebounding power of big Wayne Hopewell, the Spartans repeatedly turned in worthy performances. In the second

semester Jerry Snowden returned to the team to add what seemed to be the extra punch necessary for a victorious season. However the fighting Trojans had built up a lead big enough to keep the Spartans in the place of second best.

The team finished the season with three scorers above the twelve point average mark. They were coach Burley Smith, Paul Dishong, and Jerry Snowden. The players' attitudes were fine and the team spirit impressive.

Spartan "B" Team: *Left to right kneeling:* Bob Judd, Hank Reeves, Larry Harshman, Russell Downs. *Left to right standing:* Ken Bond, Gary Bryant, Don Shearrer, Ken Martin, Bill Marsh.

Spartan Men's "B" Basketball

The Spartan "B" club finished this past season as runners up to the league championship. Coached in part by Wayne Hopewell and by Jerry Snowden, the men (after a slow start) won their last three ball games to knock the Trojans from their roost to take over second place.

With a record of three wins and three defeats the men in green fought clear to the finish. The first half of the season looked rather unimpressive. However, the team acquired new life and bounced to within one game of a tie for first place. The club produced two of the

top four scorers of "B" ball in Tom Thompson and Hank Reeves, each of which finished with better than a twelve point average.

The team on the whole was quite impressive in their team spirit and consistent hustle. The last three games exhibited the ability of the team and it was only the late start that kept them from winning the championship thumbs down. All involved felt that the season was the best in years and were thoroughly satisfied with the record.

Indian Team—Left to right: Dennis Smith, Keith Powell, Don Lytle, Spence Hedrick, Rick Withrow, Darrell Trotter, Ted Turner, and Don King.

Indian Men's Basketball "A" Team

The Indians duplicated last year's record finishing up the season with three wins and seven losses. A very slow start cost the "redskins" a possible share in the basketball championship. Although their record is the least impressive of the three teams, they proved much more competitive and aggressive than it shows. The Indians depended largely upon Don Lytle and Spence Hedrick for rebounds and scoring punch. These two men worked hard all season long, causing opponents to respect their efforts. The Indians enjoyed victories over both opponents, having defeated the Trojan team twice and the Spartans once. They improved rapidly as the season progressed toward the climax.

Senior each Don King depended largely upon Spence Hedrick and Don Lytle for the Indians' scoring. Lytle and Hedrick not only led the Indians in scoring but were also at the top of the list for the school's leading scorers. They are both to be congratulated for being selected to this year's all-star team. The other Indian starters were Keith Powell and Dennis Smith. The Indians had a comparatively young team this year and should be looking forward with a bit of anticipation for a successful season next winter on the hardwood. Don King will be the only starter lost this year by graduation; therefore, the Indians should have a solid nucleus for next year's team.

"Who's going to pull this one down?"

For the second consecutive year, the Trojan women had a 7-1 won-lost record which provided them another championship. Experience was the major factor contributing to their success.

No one individual on this squad can be tabbed as "the" outstanding player, as it took teamwork and all-round good play to come up with a victory. Consistent hard work of each member brought about championship honors.

The superb play of the guards was a noteworthy factor in the success of the team. They provided good defense all season to help their team to victory.

The balanced scoring of the Blue and White proved too much for the opposition. The top scoring averages for the forwards were Marilyn Trimble, 16.8; Sarah Petrie, 10.5; Bobbie Hunter, 9.9; and Alberta Fell, 8.4.

The only defeat of the season was by the Indians on Friday, December 13, 41-45.

The good spirit of the Trojan girls was evident every time they took the floor. They went into a game with the will to win and never let up until the sound of the final buzzer.

Much will be expected of this team next year, as the Trojan Society will expect them to help win the All-School Trophy.

Indian Girls' Basketball Team

The Indians landed in second place for the second straight year with a 4-4 won-lost record. Three members from last year's team returned and were joined by a fine group of Freshmen who added spark and color to the team.

All players contributed to the team's success. The bench strength was adequate and performed well when substituted for the regulars. Coach Scott Gardner used these substitutes to a good advantage.

The redskin guards were always in there fighting for the rebounds; their determination was second to none. Perhaps the outstanding guard this season was Pat Daniels who also doubled as forward when she was needed.

The three starting forwards for the Red and White were Martha Stitzle, 22.4; Noni Shearrer, 15.0; Karen Wright, 9.5. These girls did a splendid bit of work for the society.

The determination of this team never waned even in defeat.

The Indian society is looking forward to next year when these girls will be fighting for championship honors. Much will be expected from this team and competition will be terrific.

Compliments to Coach Scott Gardner for a fine team.

The Spartan squad finished the 1957-1958 season in last place with a 1-7 won-lost record. This record does not reveal the fine spirit and determination displayed by this year's Spartans.

This year's team was much improved over previous teams. Two individual stand-outs were Pat Leitsch, guard, who displayed an uncanny ability to snatch the ball from her opponents, and Sue Conrad, forward, who used a variety of shots, especially her favorite, the hook. Sue usually took the scoring honors for her team.

The starting guards were usually Donna Morgan, Pat Leitsch, and Lila Owens. These girls improved

greatly as the season progressed. The bench strength was also an asset to this club.

Scoring averages of the Spartan forwards were: Sue Conrad, 14.5; Pat Dickey, 6.9; Leola Hay, 5.6.

The spirit of the team was terrific. They had the desire to win and could never be charged with a defeatist attitude.

The outlook for the Spartan team next season is bright. All of the girls are expected to return and they are expected to improve as the season progresses. The Spartans will be the team to watch.

Spartan Girls' Basketball Team

Front Row: Virginia Rexroth, Leola Hay, Sue Conrad, Brenda Starr, Pat Dickey.
Back Row: Coach Jim Brian, Pat Leitsch, Darlene Longcor, Dorothy Diehl, Lila Owens.

The girls' basketball games this year at Olivet were, on the whole, of a better quality than they were last year. The sportsmanship was definitely improved and the games were more competitive. Each society has reason to be proud of the general attitude of its players.

The three societies had a very good representation which made each game more interesting and exciting.

Each member of the respective teams spent several hours working with her teammates in order to win. These girls deserve a lot of credit for their efforts. To each player, the game was not only a game but a chance to make her society a better one. Perhaps if the societies would become more interested in the girls' games the improvements would be even more noticeable in years to come.

A NEW DAY

in Religious Life

Devotions

We seek a deeper peace and understanding of life. In doing this we turn to many sources: we may find it in the spiritual inspiration conveyed in the profound silence of a church; we may find it in meditation before an altar; we may realize it in a shaft of light streaming down through a stained glass window.

Blest is the man who hath not walked astray
In counsel of the wicked, and in the way
Of sinners hath not stood, and in the seat
Of scorers hath not sat; but in the great
Jehovah's Law is ever his delight,
And in his law he studies day and night.
He shall be as a tree which planted grows
By watery streams, and in his season knows
To yield his fruit; and his leaf shall not fall;
And what he takes in hand shall prosper all.
Not so the wicked; but, as chaff which fanned
The wind drives, so the wicked shall not stand
In judgement, or abide their trial then,
Nor sinners in the assembly of just men.
For the Lord knows the upright way of the just,
And the way of bad men to ruin must.

JOHN MILTON

*We may pray alone; but forever by our side is an
Eternal Partner.*

By helping others, Olivet students learn the fundamentals of friendship. Studies and personal ambitions tend to turn the students' thoughts inward on themselves. Consequently Olivet students feel the need to mingle with others. Turning away from himself, each student practices the art of helping others. He senses his responsibility toward other human beings—the aged, the sick, the mentally ill, and the physically handicapped. In Sunday afternoon visitation and in other activities, he finds that Christian service and unselfishness can be warmly and personally rewarding.

Through experiences with others we know the impact of our own lives. Through serving others we come to know ourselves. We work with others to instill faith. We enjoy the fellowship of others and share the insights of our fellow students. Thus, we learn to orient our lives to goals which will direct us to a life of understanding and faith.

Evangels

We enjoy the harmony of fellowship with others. Our sense of duty toward our fellowman is sharpened by worshipping, working, and playing together. Through our close association with others, we become mature and respected citizens. In sharing with others, we gain a clearer understanding of life. In helping others we help ourselves. We find peace and understanding.

College, Church Pastor

The Days of Our Years

When we say that a day is twenty-four hours, have we rightly defined a day? Can we measure our days by time alone? Methuselah lived nine hundred sixty-nine years. Other than that we know little about him. Elijah, the prophet from Gilead, did not live nearly as long as Methuselah. Perhaps a hundred years or fewer span his earthly career. But we know he was Jehovah's champion in a day of crisis, when true religion was practically driven from the earth: he stood before King Ahab in his court and declared God's message of judgment; surrounded by the prophets of Baal, he prayed until God's fire came down upon the watered sacrifice, thus saving the day for revealed religion. The New Testament has more reference to him than to any other prophet. So it is not how long one lives, but how he lives that counts.

Looking back on O.N.C.'s fifty years of history we think of it as fifty golden years not only because of time

spent, but also because of the many lives dedicated to God through works of faith. Who were they? Professors, administrators, laymen, preachers, who gave beyond measure that a holiness college might be established—that minds might be trained and lives prepared in a definite spiritual atmosphere. Glorious, indeed, is our heritage because of golden hours and golden deeds shining through the clouds of adversity and vicissitude.

College Church grasps the torch passed to her by those who have gone before and accepts their challenge, that by doing so we too might be a challenge to students, faculty, and all who enter through our portals of worship, prayer, and service. This is our sincere prayer as we congratulate the Aurora Staff for this beautiful yearbook and as we say, "Farewell and God bless you," to the Senior Class of 1958.

Fall Revival

The annual fall revival of College Church was held in October. Dr. Hugh Benner, General Superintendent of the Church of the Nazarene and one of Olivet's most outstanding alumni, was the evangelist. Miss Helen Greenlee was the song evangelist. Besides having charge of the evening services, Dr. Benner and Miss Greenlee were in charge of the morning chapel services.

The revival was a success not only in terms of attendance and number of seekers at the altar, but also in terms of lasting effects it has had in the future lives of those who attended.

Youth Week

Dr. Mendell Taylor, Dean of the Nazarene Theological Seminary, held Olivet's annual Youth Revival. Dr. Taylor not only had charge of the morning chapel services, but was also in charge of the evening services in College Church.

We will long remember the chapel service in which Dr. Taylor so vitally presented the privileges of holiness heritage through the history of our church.

DR. MENDELL TAYLOR

MISS HELEN GREENLEE

The annual College Church Spring Revival was held in March with Rev. and Mrs. Ross Emrick of Bay City, Michigan, as the evangelists and Mrs. Vivian Buettner Welsh as the song evangelist.

The spring revival was an outstanding climax to the revival spirit which prevailed on Olivet's campus this year. The workers were used of God in a marvelous way, and as a result many received spiritual help.

Prayer Band

In the cool of the day Adam walked and had communion with God. And in the cool of the day an opportunity for communion with God is given the Olivet student body. The Student Prayer Band meets for the express purpose of drawing students closer to God. Although special speakers appear from time to time, the aim is to create a devotional rather than an evangelistic atmosphere.

In the early evening from Kelley Prayer Chapel praises to our King in song and testimony reverberate through the adjoining halls and classrooms. Here the discouraged and confused find encouragement and the spirit to compare and balance their concepts of the values of time with the values of eternity.

Everyone has a place in Student Prayer Band, for Olivet students know that giving is more important than receiving, and in giving words of encouragement or words of praise, the blessing which returns exceeds the effort made to give.

At Pilot Point, Texas, when the Church of the Nazarene was "born," on October 13, 1908, the delegates also elected three men to serve as General Superintendents. Here, in their first conference, are (left to right): Dr. E. P. Ellyson, South; Dr. Phineas F. Bresee, West; and Rev. H. F. Reynolds, East.

These five general superintendents, comprising the highest board in the Church of the Nazarene, have contributed a total of 45 years in this key elective post. The office corresponds to that of bishop in other denominations. At the 1956 General Assembly each was re-elected to another 4-year term. Board Chairman Dr. Hardy C. Powers, Dallas, is seated in the center. Other members, left to right, are: Dr. Hugh C. Benner, Kansas City; Dr. G. B. Williamson, Kansas City; Dr. D. I. This statement by Dr. Hardy C. Powers, chairman of Nazarene General Superintendents, was made with reference to the struggling, rather inauspicious beginning of the denomination in a small brown tent at Pilot Point, Texas, on October 13, 1908, the official birthday of the church.

On this day delegates representing 228 small churches with 10,414 members in the East, West, and South gathered for the union. The groups from the East and West made their trips by train, and fortunately for us, some of them kept diaries of the train trip.

The following is the thrilling report of those delegates leaving California.

"Many companies of various kinds—including Shriners, Elks, and other worldly affinities, as well as those of an

educational and scientific trend—have visited and left the beautiful city of Los Angeles during the summer months, but never did there assemble at any of the great railroad depots such a company of buoyant, happy, blood-washed men and women as the Nazarenes who left on the morning of October 7 in a special car to attend as delegates the great General Assembly to convene at Chicago on Thursday, October 10.

"A large number of Nazarenes were at the depot to see their friends off. We began singing 'By and By We're Going to See the King' and other inspiring hymns. The conductor cried, 'All Aboard,' and we all scrambled into the car, and with a wave of the hand he signaled the engineer to start, and the great train with its load of precious human freight moved slowly out on its journey of 2,300 miles."

Phineas Bresee, who, at the age of fifty-six, went "out under the stars" to found what became the Church of the Nazarene, was fond of admonishing his congregation to "keep the glory down!"

By that he meant to nurture the glow of the Spirit and to make a response, when the Spirit so led. His first tabernacle-type church in Los Angeles became widely known as the "glory barn" for that reason. There were seekers at the altar in virtually every service and "the fire that burned within" drew visitors from all parts of the West Coast and nation.

From these early days it has been the freedom in the Spirit, the spontaneity in the services, and the joy mirrored on members' faces that have been hallmarks on Nazarene evangelistic efforts everywhere.

Nazarenes Around the World Are Celebrating the Founding of Their Church

En route from Jersey City was a delegation of twelve Nazarenes who had to share their train car with a crowd of salesmen. The Nazarenes spent the time praying and singing Gospel hymns, and testifying. Here is a brief account of their joyous train trip.

"Our party boarded the train at three o'clock at Jersey City. God gave us the hearts of the trainmen, and we had salvation of the Pentecostal type from start until the finish of our journey. We sang, shouted, and prayed in the Holy Ghost, and had a miniature camp meeting. Hallelujah!

"Some of the lewd fellows of the baser sort tried to drown us out with their shouts and songs, but were soon put out of business by the conductor. They thought they had as much right as we, but he thought differently. Another company of men undertook to play cards, and the conductor and another man said, 'Put them up or go in the smoker.' They protested and said that the conductor had let those

sanctified cranks sing, shout, jump, and do as they liked ever since they started, but these arguments did not weigh; the cards had to go while the saints of God shouted the victory."

The various happy groups finally reached Pilot Point. After four days spent in ironing out a few fine points of difference, the motion for union was made and after four seconding speeches, the motion was adopted unanimously.

A burst of enthusiasm followed with shouts of "Hallelujah." Handkerchiefs waved in a "Chautauqua salute." The joy was so great that it spilled over on the entire congregation and a victory march around the tent followed with delegates singing a song to the tune of "Dixie."

Dr. Phineas F. Bresee of Los Angeles, founder of the denomination in the West, made a short impromptu speech from a chair in which he demonstrated the vision and leadership that has since characterized the Church. He said, "This is only the dawn! We shall girdle the globe with holiness unto the Lord!"

We wish to express our thanks to Dr. S. T. Ludwig and Dr. Mendell Taylor for their help in furnishing the preceding information.

The AURORA has been a challenge to this year's staff as they have attempted to record a year of memories for Olivet's students.

However, it has taken the combined efforts of not only the staff, but also Blankenburg Photographers, Durand Cover Company, and Interstate Printers. To these we would like to extend our thanks.

SALLY DAVIS, *Editor-In-Chief*

CHARLES NICHOLS, *Business Manager*

You have just read the 1958 *Aurora*. Countless hours of work are represented in compiling this yearbook. Preparing it has been an enjoyable experience for each of us and we sincerely hope that you have enjoyed reading it.
